### Terms and Conditions

I hereby apply to become a member of Global Wealth Trade Corporation (hereinafter referred to as GWT) and to participate in its Variable™ Business Plan. As a member, I understand and agree that:

1. I am of legal age in the jurisdiction in which I enter this agreement.
2. I shall become a Retailer or a GWT member upon acceptance of this application by Global Wealth Trade Corporation, depending on my application and the payment available. I certify that I have read and understand this Agreement, including Application, Terms & Conditions, Policies & Procedures and Variable™ Business (Compensation) Plan. I acknowledge that these documents are incorporated as part of my agreement in their present form, and as modified from time to time by Global Wealth Trade Corporation; these documents are available from the GWT Head Office. I also understand that I may not rely on any representation made by any member, whether verbal or written, regarding this Agreement, as the basis for a claim of misrepresentation against Global Wealth Trade Corporation. GWT will process your application at the package you request, and if not approved, the next level down and so on.
3. **Retailer:** If I chose the Retailer option, I may purchase products at the Retailer preferred price (25% higher than the member price) and retail them, I will receive Retail Profit cheques for orders placed through my website less 25% cost to use the website and shopping cart, and I will receive a Wholesale Profit cheque when someone I refer to GWT joins with a product package. This fee is non-refundable, and while I can upgrade at any time by paying for a product package in full, the fee cannot be used towards any package price. A Retailer can also choose to make monthly contributions to their SAC (shopping account) however while accumulating group volume, they will not earn commissions or bonuses.
4. **Ranked Member:** A product package purchase covers the first year annual fee, a replicated website complete with your back office that includes your genealogy, a shopping cart for retail sales and payment processing, and promotional materials, business cards and information – as well as inventory. No commissions are paid on start-up material and subscription services. This sum is not a service or franchise fee, but rather is strictly to offset cost incurred by the company to provide support services to the member.
5. Upgrade to another product package only requires the difference to be added to a member's SAC. Upgrades can be done at any time, except upgrade from Titanium to a Platinum must be done within a year of becoming Titanium. Downgrades are not possible.
6. I understand that there is a 10 day cooling-off period for new applications. Non-refundable is US\$138 administration fee, as well as 4% to cover any currency exchange and the processing fee. If I decide to cancel in that time, I will be refunded my product purchase. If a product order was placed or a business starter kit was ordered, then there will be a US\$50 administration charge; if shipped, subject to 15% re-stocking charge on receipt in sale-able condition. Placing a product order waives the remainder of the cooling-off period. Printed business cards will be charged but cannot be used and must be destroyed.
7. Enrolling any GWT member, directly or indirectly, into another line of sponsorship, whether within the company or in another network marketing company (Cross-Group Sponsoring), is strictly prohibited.
8. Global Wealth Trade Corporation may terminate this agreement with immediate effect for serious violations in accordance with the Policies & Procedures.
9. Upon acceptance of this application by Global Wealth Trade Corporation, as owner of my own business, I will be an independent distributor responsible for my own business and not an employee of Global Wealth Trade Corporation. I will not be treated as an employee in regards to any federal, provincial/state or local laws covering employees, including but not limited to the Federal Unemployment Insurance, tax withholding at source, or any federal, provincial/state or local tax laws. It is my responsibility to pay self-employment, federal, provincial/state and local income taxes as required by law.
10. I will not use the Global Wealth Trade Corporation trade name and/or any of its trademarks except in the advertising material provided to me by GWT or in literature produced or otherwise authorized by Global Wealth Trade Corporation in writing. I will not lead anyone to believe that I am an employee of the company or authorized to make decisions on its behalf.
11. I recognize that Global Wealth Trade Corporation has invested substantial effort and money in training, building, supporting and maintaining its sales force and that violations of the restrictions contained in this agreement will cause (and thereby constitute) irreparable injury to Global Wealth Trade Corporation and that Global Wealth Trade Corporation is entitled to seek preliminary and permanent injunctive relief to remedy such violations.
12. **Confidentiality:** I acknowledge that information and materials acquired by me as a Global Wealth Trade Corporation Retailer or member including, but not limited to, prospect, customer and Retailer/member lists, and genealogy reports will not be used or disclosed to anyone except for the purpose of promoting and developing my Global Wealth Trade Corporation business. On ceasing to be a member, whether by reason of voluntary termination or involuntary termination, I will not communicate with any Global Wealth Trade Corporation customer, member, staff or supplier on behalf of another network marketing company. At no time will I slander or libel any Global Wealth Trade Corporation member or staff or the products or Variable™ Business Plan.
13. **Renewal:** A Retailer/membership must be renewed on the annual anniversary date by payment of the US\$138 renewal fee. Your card on file will automatically be charged. This fee is subject to change upon published notice on the company website.
14. This Agreement constitutes the entire contract between Global Wealth Trade Corporation and the member. No additional promises, representations, guarantees or agreements of any kind shall be valid unless in writing and signed by an officer of Global Wealth Trade Corporation.
